INSTRUCTIONS FOR PERSONAL FUNDRAISER LETTER

Make as many copies of this letter as needed:

On the top, you will write “Dear Grammy...” or whatever. At the bottom you will sign your name and put a salutation on it. (Preferable, if it’s Grammy, “Love ya”) You fold the letter and put Grammy’s address on the outside of a large envelope. Put a self-addressed stamped envelope inside:

Republic Tigers Lacrosse
Attn: Kirk Metzger Sr
644 S. Hampton Ave
Republic, Missouri 65738

Stamp and seal it. Repeat this process over and over.

I hope this makes sense. Missouri State Lacrosse Team did this and made over \$5,000.00. It took each player about 45 minutes to address all the envelopes, stamp them, and put the return envelope inside. It was their most successful fundraiser.

I did this for Kirk Jr. his first year and we had all but \$45.00 come in out of the \$250.00 that was due for Team dues.

Dear

I hope this letter finds you doing great! I am starting a new season of playing Lacrosse. In case you did not know, I play for the Republic Tigers Lacrosse team. We have our first game March 7th, and the season ends mid-May. I'm excited to be a part of this program and want to support the tradition that the lacrosse team has established here in the past three years.

We will be playing against other Lacrosse teams through the Missouri Scholastic Lacrosse Association. We are looking forward to an exciting season and hopefully will continue through the end at the conference playoffs.

The reason I am writing is to ask for your support of the team. We are a club sport, which means we get no financial support from the school. Even though we're a club sport, we compete against other schools and teams all over Missouri and function just like a varsity sport. None of the athletes are on scholarship and each player participates in fundraising events or special work for organizations (like at the Ozark Empire Fairgrounds or Silver Dollar City) to help raise the funds to pay their team dues that help offset the vast majority of our team related costs. This year we will have to purchase some new team equipment and uniforms. We have to travel to St Louis, Columbia, and Kansas City to play some of our conference games; in addition to other expenses like paying for the officials for our home games.

I wanted to ask for your help by making a donation to our program. We are grateful for anything you can send, but if you can send in a donation of \$30.00 or more we will provide you with a framed 5x7 team photo as a token of our appreciation for your support of our program.

Any help you can give will be greatly appreciated. If you have further questions, please contact Coach Steve Gewinner at 417-379-6856 or through email at RepublicTigersLacrosse@gmail.com.

If you are able to make a donation, please make note of the following steps:

- Make the check out to: Republic Tigers Lacrosse Club
- Write the players name in the MEMO section of your check
- Place your check and a copy of this letter in the enclosed self-addressed stamped envelope
- Or you can donate online at <http://republictigerslacrosse.com/payment.aspx> (please send an email to republictigerslacrosse@gmail.com with the name of the player in which the donation was made for)

Thanks for your support of our program!
